

Give a gift that will last a lifetime . . . a tree. The Hamilton County Parks and Recreation Department's Tree Dedication Program is the perfect way to remember someone special. Commemorate a memorial, a birthday, anniversary, graduation, retirement or any other special occasion by planting a tree.

What kind of tree?

The department has chosen 12 trees. These 12 trees are broken down into three categories: shade trees, ornamental trees, and evergreen trees. You are welcome to choose any of the 12 selected trees.

Where will it be planted?

The tree will be planted in the park of your choice, depending on availability. You have a choice of nine locations: Cool Creek Park, Coxhall Gardens, Geist Park, Morse Park and Beach, Potter's Bridge Park, River Road Park, Strawtown Koteewi Park, White River Campground, and the White River Greenway Trail.

What about the plaque?

The color of your recognition plaque is dependent upon what category of tree you choose. Once we have received your dedication card, your plaque will be engraved with the words of your choice. The plaque will then be mounted on the Dedication Tree. The Dedication Tree is located at the Cool Creek Nature Center in Cool Creek Park.
